## Lener from the President:

### HELP!

We need volunteers at our range-Range Safety Officers are needed to help on Saturdays so we can be open to the public. It requires some training and 4 hours of your time on Saturdays once every couple months.

If you have computer skills, we're looking for someone to manage our Facebook page providing announcements and pictures/videos of range events. We are also looking for someone who can video tape the orientation of the range so that we can incorporate it into the on-line Club Member Application on our website. Until we have all the pieces in place {hopefully this fall} for on-line membership, we still need to provide orientation to new members. No specific training is needed for this. You would be the ambassador for our range. Remember your orientation?

During the month of October a nominating committee will be formed to seek members who would be interested in running for next year's Board of Directors officers. The following offices will be open:

President, Recording Secretary, Treasurer, Chief Range Safety Officer, Trustee

Please consider running for office: our 501 C-3 status requires all Board positions be filled. Some offices require more time than others; please feel free to call me to ask questions about these positions.

If you "accidentally borrowed" (2) 7" Kindles and a hot spot after the Steel Challenge match {Bay 2} on Saturday, August 13<sup>th</sup>, would you please return it to Clay Davis (760-473-2242).

If you "accidentally borrowed" a steel target that was set up on Bay 1 for the **USPSA** Pistol match on Friday, August 4<sup>th</sup>, would you please return it to ET Saffon **(480-227-5045)**.

Unfortunately, the more members who "accidentally borrow" or shoot up the range equipment, the more the rest of us have to pay!

The foundation of this Club was based on volunteerism; that has not changed in the 44 years of its existence. We will continue to do our best to provide a range that we all be proud of-with your help.

Please be sure you call the Range Hotline for weather updates. Remember, when the range is closed due to weather, it is closed for all of us.

Sue Little

President of the Board of Directors
